**New dimensions School of Hair Design Policy**

**New Dimensions school of Hair Design will contact student regarding their need relative to the disruption in family financial situations due to the Coronavirus Pandemic. New Dimensions School of Hair Design will ascertain these needs in allocating disbursement of grant funds from the U.S. Department of Education under the CARES Act. After need is ascertained for each student, New Dimensions School of Hair Design will disburse funds evenly across the current active student body. Fund amounts will be disbursed to those who have applied and processed a FAFSA, financial aid application, paying students equally. All active and LOA students from 03-20-2020 forward who are Title IV eligible may receive funds.**

**Once a student signs the Certifying statement, they will then be eligible to receive their disbursement from the CARES Act Relief Fund. The Certifying statement and copy of the check will be maintained in the student file for further proof of disbursement.**

**New Dimensions School of Hair Design will also keep a file with all HEERF related information, to include: Grant.gov emails, copies of DJA spreadsheets with eligible student and amounts, cash request documents, the school policy, and other information related to HEERF.**

**The total per student amount is being based on \$22,279 (student amount) / total number of eligible student = disbursement amount.**
