

NEW DIMENSIONS SCHOOL OF HAIR DESIGN

Each student was presented with the Certifying Statement to determine grant eligibility. The statement was to inform each student of what the Emergency Financial Aid Grant to Students was intended for. Upon reading the statement the students responded to the questions with yes/no as to whether they had a disruption in the family's financial situation due to the COVID-19 pandemic. This allowed New Dimensions School of Hair Design to answer all questions the students may have had. It also allowed the school to determine the number of eligible students. See Attachment C (Certifying Statement)

New Dimensions School of Hair Design has done our very best to keep the students informed of the use of proper these funds.
